Hi there! My name is João Mourão, I'm a portuguese UX / UI Designer based in Vaud area, Switzerland. I design & build user interfaces and all my projects have creativity and innovation as the starting point.

I have worked with many different types of companies, from large corporations to smaller businesses, and it has been a pleasure to work with all of them. Currently I'm living in Gland, Vaud and I'm looking for a new challenge with **Immediate availability**! Please, take some time to look at my web portfolio at **www.joaomourao.com**. I hope you'll enjoy it!
